

The background features a dark grey grid with several circular gauges. The top-left gauge is labeled 'OPERATIONS' and shows '88%'. The top-right gauge is labeled 'WATTS' and 'TRANSMISSION' and shows '55'. The middle-left gauge is labeled 'SECONDS' and shows '165'. The middle-right gauge is labeled 'SESSIONS' and 'WATT' and shows '872%'. Below these gauges is a 3D area chart with multiple overlapping surfaces in shades of green, yellow, and red, plotted on a grid with x-axis labels from 10:45 to 11:15 and y-axis labels from 0% to 20%.
